

**National Monument
Current Management Guidance
Document Outline**

Introduction Section

- ☐ Background Information - briefly address designation date, location, acreage figures, etc., with reference to Proclamation and Interim Management Policy in the Appendix

Describe/List Existing Planning/NEPA Base

- ☐ Applicable LUPs - the LUP Evaluation Decision List will be a primary source for categorization as described below.
- ☐ Applicable Implementation/Activity Level Plans
- ☐ Other Decisions

Summary of Valid Existing Rights and Existing Permits and Leases

- ☐ Brief paragraph categorizing/listing numbers of VERs and existing permits and leases with reference to more detailed tables in the Appendix.

List by Resource/Program

- ☐ Decisions that are consistent with the Proclamation and Interim Management Policy and may be implemented
- ☐ Decisions which may be partially implemented or require further consideration in the new planning process. These are decisions that be implemented following a case-by-case determination for consistency with the Proclamation and the Interim Management Policy and may need further NEPA analysis
- ☐ Decisions that cannot be implemented. These are decisions that are inconsistent with the Proclamation and Interim Management Policy

Applicable Rules and Policies

- ☐ Supplemental Rules
- ☐ National rules and policies not modified by local rules (e.g. camping limits)

Appendixes

- ☐ Copy of Proclamation
- ☐ Copy of Interim Management Policy
- ☐ Tables listing valid existing rights and existing permits and leases
